**4033-C Chicago Avenue
Riverside, CA 92507**

The Eastside Library & Cybrary, a Branch of the Riverside Public

Library, supports opportunities for lifelong learning by providing **free** services to improve educational, technical, and workforce development skills.

Adult Literacy Services - Adults who want to improve their reading skills receive free individual tutoring.

Comp-Riverside-Qualifying families receive a low-cost computer system through a partnership with Arrowhead Credit Union, Jaguar Computers, and the Riverside Public Library Foundation.

Copy and Print Center - Use our self-serve black and white copier to make copies, use a scanner, or print from our computers using black and white or color laser printers.

Cybrary Computer Training - Learn the basics of computer usage. See the Cybrary Training Brochure for more information.

GED - A distance education course is available with support from Riverside Unified School District. Sign up today to study for your GED or improve your basic skills using Plato Online.

Homework Assistance - Free homework assistance provided by tutors from Riverside Community College, University of California, Riverside and La Sierra University.

Kids— Family story time and activity for school-age children every Tuesday at 6:30 p.m.

Language Learning - Use Rosetta Stone software to develop key language skills in English or Spanish.

Library Collection - Browse our shelves for books, movies and audio media. Or go online and request materials from another library to be picked up at the Eastside branch.

READy-set-Go - Young Children can participate in reading readiness activities using LeapPads and other language development tools.

Special Workshops - Learn about digital photography, writing resumes, creating greeting cards, Internet security and more.

Special Software Programs - Microsoft Office Suite, Mavis Beacon Typing Tutor, Multi-sensory Reading, Spelling, and Penmanship Program.

Technical Services - Our library technicians and interns are available to answer basic questions regarding the use of the Cybrary's computers.

Wireless Access - Browse the internet on your laptop or wireless device using our wireless access point.
